Honorable George E. Brown, Jr.
House of Representatives
Washington 25, D. C.

Dear Mr. Brown:

Thank you for your letter of March 19, 1964, regarding letters from your constituents concerning Professor Norman Redlich, who is serving as a consultant to this Commission. Pursuant to the terms of Executive Order No. 10450, a full field investigation is now being conducted concerning Professor Redlich. When that investigation has been completed, the Commission will determine whether Professor Redlich should be granted a security clearance.

Several other Congressmen have written similar letters. In one case, the Congressman asked us if we would care to suggest a reply to his constituents. I enclose a copy of the reply we suggested to him, which you may use as you see fit.

Sincerely yours,

SIGNED

J. Lee Rankin
